Kimrage Open & Distance Education (KODE)

When has there ever been a more important time...

- To Plan
- To Manage
- To Evaluate

More than ever before project planning and funding proposals need to reflect these key areas.

Invest in your future now! KODE offers a range of Project Management course to build your organisation's capacity to withstand and endure recessionary times with positive action.

- Project Planning & Proposal Writing (starts 25th April)
- Monitoring & Evaluation (starts 9th May)
- Project Management & Accountability

Buy two 2009 courses get one **Free!**

Book the first course before Thursday 16th April to avail of this exclusive offer!
